

SHH-5

Sleep Workstand for TMT-2000S

SHH-5

**ESD
FREE** **LEAD
FREE**

The SHH-5 work stand is manufactured from durable phenolic material; the unique sure lock iron holder has an open design and incorporate two rare earth magnets that ensure the handle is stable and the tip is powered down when inserted.

WORKSTAND FEATURES

- ▶ Rare earth magnets power down the tip when handle is placed in cradle.
- ▶ Open cradle design keeps handle stable and cool
- ▶ At the rear of the workstand there are multiple slots for holding tip cartridges
- ▶ Simple but powerful design with no additional wiring
- ▶ Heat resistant and ESD safe
